To express your concern about imminent Swimming Pool closures

- Who:** Anyone who swims, or wants to swim,
in a Toronto pool
- What:** City of Toronto *Community Development
and Recreation Committee Meeting*
- When:** 9:00 AM Thursday, April 16th
- Where:** City Hall, 2nd Floor, Committee Room 2
100 Queen Street West, Toronto
- Why:** This Committee will hear public deputations asking
the City to work with the TDSB to develop an
aquatic strategy for the City's 2.5 million residents
before any pools are closed.

To request your deputation be heard at this meeting, email: cdrc@toronto.ca

Toronto has a higher proportion of its public pools in schools than any other urban centre in Canada. The City offers 45% of its swimming programs in TDSB school pools. Come and show your support now before any pools are closed in June 2009.

Swim attire encouraged! Please express your views in a safe and respectful manner. Come have some fun, and let our elected City officials know you care about the future of aquatics in Toronto.
