Rally @ 6:00 pm; Board Mtg starts @ 7:00 pm

- Why:** TDSB Response to Toronto Lands Corporation Report "Long Term Strategy for 39 Pools in the Toronto District School Board"

In April 2008, WE WERE THERE, when the TDSB asked David Crombie, Chair of the Toronto Lands Corporation (TLC) to propose a long-term sustainable solution for the continued use of the Board's pools. The TLC report recommends that the TDSB expand the use of pools through increased aquatics programming as part of the curriculum and support the costs associated with the use of the pools as part of the curriculum. WE AGREE!

**Come and hear how the TDSB will respond to the TLC Report
Show your support before any pools are closed in June 2009**

Swim attire encouraged – bring signs, noisemakers! Please express your views in a safe and respectful manner. Come have some fun, and let our TDSB Trustees know you care about our pools.
